

DEPARTMENT OF ENGLISH

The English language stands as a remarkable bridge uniting people across cultures and continents, earning its place as a global lingua franca. Its versatility and adaptability allow it to evolve continually, absorbing influences from countless languages, which enriches its vocabulary and depth. English empowers expression, from the precision of scientific discourse to the evocative beauty of poetry and prose. It facilitates the sharing of ideas, fostering understanding, innovation, and collaboration worldwide. Its accessibility and wide reach make it a powerful tool for education, commerce, and diplomacy, proving that language can indeed be a force for connection and progress.

The Department of English has been functioning since 1997, the inception of the College as a language Department with faculty members. English language ignites triumphant excellence in communication and literary skills. To improve the communicative and literary skills among the women students and to help them enter into the challenging tasks, UG program in English was started in 2010 and PG Program in English was started in 2013.
