

## DEPARTMENT OF COMMERCE

### Department Profile

The Department of Commerce was started in 1997. The Department tries to spread the knowledge of accounting and finance and to train students in business management and administration and to develop latest advanced Skills among them. Our students secure almost 100% successes every year in university examinations.

A forum on Commerce& management is functioning well. It regularly organizes National & International seminars, conferences and workshops. To keep abreast of development and complexities in the changing world of Business and Commerce.
